ABOUT UNIPPOINT

Unipoint Electric Mfg. Co., Ltd was established in 1972 and has become one of the world's largest manufacturers of starters and alternators, temperature control units and wiper blades. Unipoint's manufacturing plants are in Asia, with distribution efforts supported by sales personnel and warehouse facilities in North America, Europe and South America. Our manufacturing facilities practice state of the art process control and all are certified to ISO 9001 / TS16949 international quality standards. Our local offices are designed to provide exceptional customer support, competitive pricing and marketing assistance to our OEM/OES and aftermarket customers. Unipoint's engineering group has the experience and capability to develop and tool band new applications on a timely basis. And on average develop over 300 new products per year.

Unique Quality, Unique Value

Rotating Electrical

Install Brand New Install With Confidence

While “remanufactured units” has been a tradition for many years, NEW is increasingly more accepted for a trouble free solution. All Unipoint products are 100% brand new. This eliminates the investment & costs associated with the handling of old used core units. Every unit undergoes rigorous testing & inspection throughout the production process to meet or exceed Original Equipment Manufacturers’ performance & specifications.

Comprehensive Coverage for All Applications

Unipoint is committed to having a wide range selection for all applications to meet global customer requirements. Besides our full automotive range, our extensive coverage also includes units for medium & heavy duty trucks, industrial & marine applications. All are competitively priced which will offer “One Stop Shopping” merit to our valued customers.

Superior Results

With Unipoint, you are getting consistent high performance products that will survive even under the most adverse weather & operating conditions. With minimal warranty returns to ensure increased profitability, trustworthy & reliable products that will ensure full customer satisfaction.

HOW TO USE THE CATALOGUE

Unipoint catalogue is specially laid out by various product systems. To find a unit based on product system:

1. Choose a unit product system you want from the Index page.
2. Find a series of Unipoint part#, pictures, OE cross reference, key specifications, and application in that product system.

To find a Unipoint part# based on OE cross reference, go to the “CROSS REFERENCE” section.

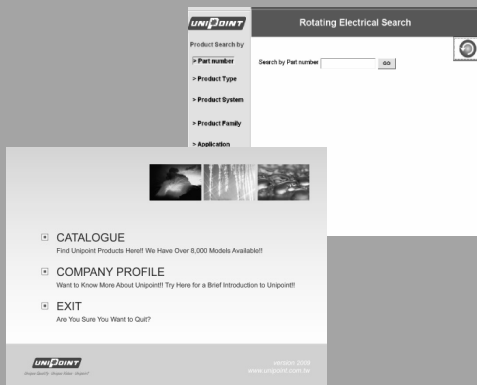

To find a Unipoint part#'s pictures, application, specifications, OE cross reference, go to the “UNIPOINT PART NO. TO PAGE NO. INDEX” section.

CD Catalogue is also available

Unipoint also provide another option for your choice- Unipoint VCD catalogue package. In this package, there are one VCD and one DVD

- VCD contains Unipoint complete line catalogue, including Rotating Electrical, Temperature Control, and Wiper Blades lines. In addition, there are short introduction about Unipoint history, profile, and R&D capability.
